- I. Election of Officers
Floor was opened for anyone interested in any the positions, or co-chairing, no one volunteered
Officers elected to new PTO, same as prior

- II Budget reviewed
We raised \$14,001.59 this year
Questions about money (expenses from this year that may not have been spent), total is not certain at this time.
Reserves discussed, and the fact that fundraising may be very difficult next year due to the economy and the fact that schools may not reopen
Discussion on 'must-haves' vs 'wants' in the budget
PTO agreed that instead of making decisions about line items in the budget, we should determine the total amount willing to be spent and agreed to \$16,000

- III. Fundraising Update
A committee is needed for the jog-a-thon, to plan ahead this summer. PTO agreed to September 25th for jog-a-thon, with money due in October.
Some apps are available for collecting funds, and kids will not be encouraged to go door to door. Volunteers are needed for the planning and also for counting the money afterwards
Rachel will send out a sign-out genius to solicit volunteers
Ana shared update on yearbooks, 44 of 150 have been sold. Can still be ordered online
Spritwear - a few shirts have not been picked up and Stephanie will take the names and have teachers reach out to families

- IV. 5th grade celebration
A few options discussed
PTO agreed upon Baskin Robbins, Jill will reach out to owner and confirm the details
A poster, and communication home (certificates to be emailed?) will also be needed

- V. Welcome back party discussed for all staff, when school starts up again at the end of summer. Kinderwelcome and Back to School night will need a volunteer to try and meet new families/parents and tell them about the PTO
